As They Scramble From Berths

## ITCHING BURNING ECZEMA ON FACE

Ashamed to Go Out and Meet Friends,  
Could Not Sleep. Used Cuticura  
Soap and Ointment. In Two  
Months Entirely Healed.

"175 Union St., Brooklyn, N. Y.—'My eczema was caused by scratching a few pimples which began on my face. After a few days my body and face were full of pimples and I was ashamed to go out and meet my friends. I could not sleep because they itched and burned so badly and I scratched them until they used to bleed and also make sore eruptions.'

"After I had suffered for about two or three weeks I saw the advertisement of Cuticura Soap and Ointment so I gave them a trial. After using the Cuticura Soap and Ointment for about two months, applying them three times a day, I was entirely healed." (Signed) Vincent Cammarata, July 25, 1914.

Cuticura Soap used daily for the toilet and the Ointment occasionally as needed preserves, purifies and beautifies the skin, scalp, hair and hands.
